Garaga now offers ten wood tones

Enjoy the warmth of wood without the upkeep. Our new HD wood tones are printed on steel in high definition for exceptional depth and authenticity while our traditional wood tones use a durable, baked-on paint finish. Both processes are engineered for long-lasting beauty.

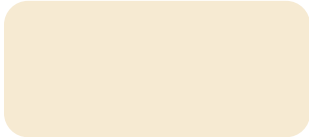

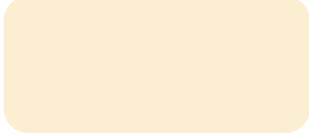

The new Plank design features three new HD wood tones that imitate wide, varied wood boards, enhanced by an embossed pattern for added realism. The Classic wood tones echo rich wood grains available across multiple designs.

The beauty of our solid colors

With a selection of 12 stunning solid colors available in most of our designs and insulation levels, you can effortlessly create a harmonious exterior. From sleek Charcoal to modern Black, and classic White, Almond, or Moka Brown, our colors are crafted to complement top exterior building product brands. Select a color that mirrors your window frames, entry door, or shutters, creating a harmonious, sophisticated look. Ready to find your match? Try them all on garaga.com/designcenter.
